Urgent Notice

The United States Department of Justice is investigating whether Baltimore County's use of the Authorization for Release of Medical Information form and/or requiring certain medical examinations and inquiries is unlawful and in violation of the Americans with Disabilities Act.

Anyone who, between August 2004 and present, has been:

1. Required to sign a Baltimore County Authorization for Release of Medical Information form or any other form of medical records release, or
2. Ordered to undergo a "Fitness for Duty Examination", "Independent Medical Evaluation", "Workability Examination" or
3. Required to be examined by Dr. Oroszlan, is urged to contact the Union immediately.

Please contact the Union Office @ 410-296-1875 for additional information.
