

Adam Hendrix

For Our Union Executive Vice President

My name is Adam Hendrix and I am running for Executive Vice President for The Baltimore County Federation of Public Employees. I was elected Executive Vice President in 2017. I have been employed with the County for 14 years and have been a member of our union for 13 years. I joined our union to ensure that I have a say in the decisions that are made to our pension system, health care, salary and to have fair representation during department issues. Currently I am working full time for our union and am conducting union activities such as attending labor meetings, meeting with potential political candidates that have a direct impact on our union, building solutions to unfair administrative policies, representing members in administrative hearings and serving on the contract negotiations committee for FY 2020 and FY 2021. As Executive Vice President, I pledge to put the values and concerns of our members first. I pledge that our voice will not go unheard by communication with elected officials and ensuring our unions issues will be heard and solutions will be carried out. I pledge that unfair administrative policies will not go unchallenged. I pledge that I will expend all my energy in representing union members in administrative hearings.
